Thanks, Carl -- Yeah, we can send the cong notifications tomorrow morning. All the congs can get the notice simultaneously, but could also separate out the WY delegation.

I'm meeting with Shaun at 3:45 before we call the State I can ask him what he thinks. The call with the Gov is now set for 4:15 today so we should plan on calling the WY delegation early Friday(Don't think after 4:30 today would be a good time?). I assume it's okay to notify WY staff first before all the other states.

Hey, Carl -- I sent it to him. He did have a comment that if the Gov got a call today, or early tomorrow, it would probably not be good to wait too long to notify the congs after the Gov is notified (i.e. Monday). Is there any further discussion on that?

Sandy

Thanks for reminding us that the states surrounding WY were interested in the WY action as well.

Does Josh have the comm strat? I don't think I have sent it to him.

Thanks, Carl -- Depending on the timing of the signature, which you will please have to let us know, notice to the interested congressional offices will be made by Whitney. If she is unable to make those notifications, Josh Lewis will. (I will be out of the office on Friday and on Monday morning.)

To recap, notice will be sent to the offices of:

WY - Sens Enzi and Barrasso and Rep. Lummis; ND - Sens Hoeven and Heitkamp and Rep. Cramer; SD - Sens Johnson and Thune and Rep. Noem; Rep. Collin Peterson (Minn) Sen. Tom Harkin (Iowa) Rep. Mike Simpson (ID)

Thanks, again,
Sandy

I have revised the WY RH comm strat based on some input from Janet McCabe, Tom Powers, and Phil Lorang (OAQPS).

This will be the version we will be using starting tomorrow or Monday (depending on signature time) unless someone has need to revise something.

Let me know if you have questions, thanks.
